Qualifications & Skills

- Advanced proficiency in Japanese, with competence in honorifics usage.
 - 98th percentile in JLPT N1 (2017)
- Can speak colloquial Cantonese
- Microsoft Suite (Linear programming and Forecasting in Excel)
- Intermediate level Java

Experience

- [Player and coordinator for League of Legends team for Lowell High School in the High School Star League](#)

Coordinated and competed for a 5-man team with ~2000 teams from high schools across North America in an online league for the game League of Legends. Scheduled meetings, scheduled matches with coordinators of other teams, worked with school's newspaper team for interviews. Placed 1st in the 2014-2015 Winter Season.

- [Introduced Japanese program at Lowell High School to incoming students \(2011-2015\)](#)

Attracted incoming students and parents to the Japanese department to draw in new students to the Japanese program during events such as Back to School Night.
